CHRIS FACCHINI JOINS MOORECO INC AS VICE PRESIDENT OF OPERATIONS

Temple, TX September 2015 — MooreCo has named Chris Facchini as Vice President of Operations. Facchini brings over 20 years of industry manufacturing and operations leadership experience with an in-depth understanding of how to drive profitability improvement, operational excellence, and overall customer satisfaction.

“As part of the senior management team, Chris will be instrumental in overseeing and guiding our future strategies and efficiencies,” says Greg Moore, MooreCo Inc. CEO. He adds, “Chris is a proven leader and brings a wealth of experience and knowledge to MooreCo to implement operational best practices in all areas of our business.”

“I am excited about the opportunity to work with an executive team that understands the importance of operational excellence within a fast growing company,” said Facchini. “I am looking forward to collaborating with the team and building new programs, processes, and tools to ensure the achievement of MooreCo’s goals for future growth.”

About MooreCo Inc.

MooreCo has been dedicated to improving work and school environments since the 1950s. We are committed to a better understanding of what we can do to improve the active learning environment and develop tools to assist learning in a 21st century classroom. MooreCo has been dedicated to conducting business with integrity, care for our communities and respect for the environment. Through sustainability initiatives, MooreCo endeavors to be a responsible corporate steward of the environment and, whenever possible, encourages eco-friendly business practices.
